Summer Sandlot Baseball & Softball League

The school year is coming to a close so that means that summer is almost here! So what do you plan to do during your summer vacation? Don't put away your glove, ball and bat. Come join our Sandlot Baseball & Softball League.

The Adirondack Sports Complex is currently planning for its 3rd annual Summer Baseball & Softball League that will give kids from around the area an opportunity to play ball throughout the summer. This is a great time to improve your skills, be with your friends and just keep playing. Playing baseball or softball during the summer is not just for "all-stars". Everyone has the opportunity to play in the Sandlot League, even if you're new to the game.

This year's league will start during the last week of June and continue through the first week of August, with each team playing approximately 12 games. Games will be held on Tuesday's & Thursday's with a tentative start time of 5:30PM.

The league divisions consist of Tee Ball (5 & 6 year olds; co-ed), Bantam (7 & 8 year olds), Minor (9 & 10 year olds) and Major (11 & 12 year olds). The league is open to both boys & girls.

The Summer Sandlot League is a great way to begin or continue your involvement in youth sport programs. Umpires and volunteer coaches and parents are needed. We will provide you with a coaches training session along with a coaches manual with skills, drills and other resource information.

We hope that with your help, we can make this year's leagues even better than the last. So mark your calendar! Don't miss the opportunity for some summer fun on the diamond!
