Doug,

Thank you again for a great tournament this year! My team and I had an incredible time and look forward to coming back next year! We actually are already making plans for next year because we want to stay on Lake George if at all possible. Do you know the dates for next year yet? Will it be the weekend before the 4th of July or after?

Thanks again!
Best,

Doug,

I meant to comment to you about one of the umpires we had this weekend. There was a young woman who had the field for our second game on Saturday night. (6:25 vs. Vengeance on field 1). She was terrific. She was flying around the field to put herself in the best possible position on top of the play to make calls. And it was every play, the entire

game. I have not seen that kind of effort from an ump in a non-college game, perhaps ever. And as you know I have been around for a while. I know you hear griping every time a coach is unhappy with an umpire, so I wanted to make sure you heard the other side. I got a chance to thank her after the game but didn't catch her name. If you would, please share this with your local supervisor of officials. I was very impressed.

Thanks for another great tournament.

Doug,

Hello ... hope you had a great holiday ... I just wanted to check to see if you still have availability in your 16U girls softball tournaments this summer, particularly July 24-26? Would love to bring our team (MW Crusaders Black) back for third straight year. You folks do such a fantastic job to make the experience memorable for all.

Thanks,

Bob

Doug

Just want to say thank you for a great tournament. My girls had a great time. It's not only about winning it's also about the moment and memories. Had some good ones and of course bad ones (my daughter was the one on stretcher) all in all we would love to come back next year. Have a great winter!

Doug,

I just wanted to say thank you for a well run tournament. Our teams have always enjoyed and benefitted coming up to the "Dome" for the winter indoor tournaments over the years. This year was no exception. But more importantly, the girls truly appreciated your kind and supportive words as we were leaving. Being a "young" team, the encouragement really meant a lot to the girls.

Thanks.

Dear Doug,

I would like to thank you and your staff for the continued professional experience that you offer at both your indoor and outdoor tournaments at the Adirondack Sport Complex. I have had the opportunity to be a manager with the CT Titans for ten years. During this time, our organization has participated in hundreds of fast pitch tournaments throughout New England and the East Coast. I can say without reservation that your tournaments' have been run with the highest level of professionalism and integrity. The experience for both the players and coaches exceeds the norm because of your efforts. You and your staff are commended for the personal touch that you bring to the softball experience. In addition to my personal appreciation of your tournament administration, I would like to share a few quotes that I have received from my parents, players and staff.

"The summer tournament was great. We are now planning our summer vacation around the 2012 summer tournament"!

"The Dome has been the best place to help us prepare for our High School Season"!

"Doug and his staff have helped us find some of the finest places to eat when we make reservations for hotels and dinner"

"The outside fields are beautiful; you would think you were playing on a golf course"

I am looking forward to seeing you next month. Our team will be there again in February for our third winter tournament of the season. Before we left the hotel last week, we already confirmed our hotel reservations for the July Tournament!

Once again, a personal "thanks" to you and your staff

Sincerely,
Coach Sal Cintorino

Hi Doug,
I hear you have great fields at your location! Congrats, that's a huge accomplishment. I also heard you ran a great tournament and kept everything on time. Great job!! Sal and his team had nothing but good to say about the tournament they played in. Just wanted

to pass on some praise I heard, and to tell you the truth none of it really surprised me, you always ran an A+ winter tournament so why wouldn't the summer events be run the same way.

Sincerely,
Mark LaRosa

On behalf of the CT Mirage '96 Black, I want to extend our thanks to everyone involved in this past weekend's Winter Blast Tournament. Doug, to you and your staff and the umpiring crew, we thank you for what is always a first-rate tournament. Despite the weather conditions and the late hours you had to put in, you guys did a great job and we thank you.

We would also like to extend our thanks to the great teams we faced this weekend. Softball is a great game. And we appreciate everyone's recognizing that fact. The competition was fierce, to be sure. But the level of competition was exceeded by the sportsmanship we saw from the players, the coaches and the families who filled the dome. To the teams we played, your commitment to playing the right way is a testament to your coaching and it's a privilege to be counted among you.

Finally, our congratulations to the Nightmare '97, this year's champions. It was fun watching your team play and we look forward to the chance to meet again later this summer. You showed us all weekend why you deserve to be the champs.

To all, the best of luck in the coming season. And, again, our thanks for a great weekend!
