

UPDATE: Effective Monday, March 16:

With the rapidly evolving situation with the Coronavirus, and in accordance with the recommendations of Federal and State officials, the facility will remain closed and we are canceling all programs and rentals that were scheduled to start this week and next. We will start processing refunds for all those who had registered for any of the ADKSC Session 3 programs.

We will continue to monitor the Federal and State guidelines and will advise everyone when it's appropriate to re-open the facility.

We thank you again for your continued patience, understanding & loyalty.

Thank you,
Doug Miller
ADKSC

Effective: Friday, March 13:

To our ADKSC customers:

Due to the ongoing COVID-19 (coronavirus), the Adirondack Sports Complex is temporarily suspending all activities until further notice.

During this period, we will be monitoring the situation and provide regular updates.

Thank you for your patience, understanding & loyalty.

Thank you,
Doug Miller
ADKSC

Effective: Monday, March 5:

I want to take a minute to update you about the ongoing COVID-19 (Coronavirus), and its potential impact on activities at the Adirondack Sports Complex.

We have been, and will continue to be, in contact with the Warren County Health Department and the NYS Department of Health regarding the Coronavirus.

At the present time, we will be continuing with all programs, classes, leagues, and rentals as scheduled. We will also be reviewing all of our programs and schedules on a daily basis to determine whether any cancellations or changes need to be made. Should any scheduling changes occur, they will be communicated directly to all those involved.

As we certainly want all players, coaches, parents and family members to be safe and healthy, we encourage everyone to be vigilant. **Anyone who feels at all sick is asked to please stay home.**

On a daily basis, we will be disinfecting and sanitizing contact surfaces throughout the facility. This will include all door handles, sinks and bathroom facilities, countertops, tables, keyboards, bleachers, team benches, and equipment, etc.

We have also installed additional alcohol-based hand sanitizer dispensers so that customers have plenty of access.

Please read and follow the guidance issued by the [Centers of Disease Control and Prevention](#), and the [New York State Department of Health](#), regarding preventive measures to help prevent the spread of respiratory diseases, including the use of [handwashing and hand sanitizers](#).

Also, as a preventative measure, it is highly recommended that all teams and players suspend handshakes, high fives, and fist-bumps for the time being.

The following is a link to a number of additional information resources that the [Saratoga County Department of Public Health Services](#) has compiled with regards to the COVID-19 (Coronavirus).

Again, if you feel at all sick, please stay home. And if any of your team members, family members, or coaches feel at all sick, please insist that they stay home.

Thank you,
Doug Miller
Adirondack Sports Complex
